

# Directions to University Centre Folkestone

## By Car

From all directions follow all signs for the A260 “Harbour & Town Centre”

**From London/Ashford:** Leave the M20 at junction 13 for Folkestone. At the first roundabout take the 3rd exit onto the A20. At the second roundabout go straight onto Churchill Avenue (A259), signposted for the Harbour. At the third roundabout take the first exit, i.e. go straight on. At the fourth roundabout continue onto Hill Road (A260), also signposted to the Harbour. Go right at the next roundabout (still the A260) and continue on, bearing right onto the Dover Road (signposted Town Centre, Harbour). Go under the railway bridge and at the roundabout take the 1st exit onto Southern Way (signposted East Cliff and Warren) and shortly after turn right onto The Tram Road (just before the railway crossing). Continue on and go under the bridge, keep in the right-hand lane, then at the junction turn right into Tontine Street. Keep left and follow signs for “Town Centre”. About 100m along the road turn

left at Androus Café. The UCF building is half way up the hill on the right.

**From Canterbury:** Take the A2 towards Dover and exit at A260 (signposted Folkestone). Follow the A260 towards Folkestone. Go down the hill and at the roundabout take the 1st exit, Hill Road (A260 - signposted to the Harbour). Go right at the next roundabout (still the A260) continue on bearing right onto the Dover Road (signposted Town Centre, Harbour). Go under the railway bridge and at the roundabout take the 1st exit onto Southern Way (signposted East Cliff and Warren) and shortly after turn right onto The Tram Road (just before the railway crossing). Continue on and go under the bridge, keep in the right-hand lane, then at the junction turn right into Tontine Street. Keep left and follow signs for “Town Centre”. About 100m along the road turn left at Androus Café. The UCF building is half way up the hill on the right.

**Note: there are no student parking facilities at the Campus (please see parking information below).**
